HOW DO I SHARE PERSONAL DATA?

If you are sending personal data by email you must send the information as an attachment in a password-protected document, it is not to be in the text of the email.

You must call or text the recipient to give the password. Do not include the password in the email or send a second email with the password in it.

When sending emails to multiple people do not put all the email addresses in the 'to' field. This would mean everyone will be able to see everybody else's email addresses, which is personal information. Use the BCC field on the email address bar to send an email to more than one person so people can't see each other's addresses.

EDINBURGH MONOPOLY

DEADLINE FOR SIGNING UP IS SUNDAY 16TH SEPTEMBER 2018

After the success of their last monopoly challenge, 4th and 4th A Brownies are running the event again! This is a wide game based on the Edinburgh monopoly board. This is a live action game of monopoly based all over the city, where teams race to claim property and complete extra challenges along the way.

Open to groups of Brownies, Guides, Scouts, Senior Section members (and Leaders!), or other groups aged 7+. Leaders are responsible for ensuring that their teams are within ratio.

The event starts and ends at Girlguiding Edinburgh on 19th September @ 5.45pm – 8.45pm, but takes place throughout Edinburgh. There will be prizes for the teams who buy the most property and for completing challenges.

It costs £3 per person to enter, plus the cost of any public transport you choose to use on the day. The proceeds from this event will go towards our upcoming trip to Disneyland Paris for our unit's 100th birthday.

To sign up, or for more information, email edinburghmonopoly@gmail.com

Come along and have a great night out with the Gang. Be prepared to be amazed! <https://www.facebook.com/EdinburghGangShow/>

EDINBURGH INTERNATIONAL SCIENCE FESTIVAL

They have an opportunity for 12-18 year olds based in Edinburgh (or are able to get to Edinburgh on a Friday afternoon once a month) to join a group called the Youth Consultation Group.

They meet once a month on a Friday afternoon at the Science Festival offices in Leith to generate and develop ideas Science Festival events and initiatives throughout the year.

The aim of this Group is to make the Science Festival more appealing to their generation. Aside from event development, the young adults will be able to have their ideas heard and acted upon when it comes to reaching their peers and input into marketing and design. They will make new friends, get hands-on experience in event development, free tickets to our Science Festival and more.

A little bit more info about the Group and the terms and conditions for applying can be found here: <https://www.sciencefestival.co.uk/youth-consultation-group>
