If you feel you're missing historic roles get in touch with Membership Systems before the deadline. Pop 'Historic roles' in subject line and include the role and how long you were in it, the name of the unit/district/division and level number in your email.

If any of your qualifications are missing, please contact admin@girlguiding-edinburgh.org.uk in the first instance. If Fiona cannot amend these, she will pass them on to SHQ

2. SAFE SPACE TRAINING

Due to popular demand, another Safe Space - Level 2 has been organised for Monday 10th December (7-9pm) at EHQ. There are also a small number of places left on Safe Space - Level 3 on Saturday 1st December (9.30-12.30pm) at EHQ.

If yes, please come along to our training on 16 March which will be run by a very experienced Scottish Trainer. A light lunch and refreshments will be provided. When booking please advise of any dietary requirements. Book using the following [link](#). The password is GGEdinburgh

4. EHQ OFFICE

Sometimes due to unforeseen circumstances, the office may be closed, or have to close early.

If you are planning on going into the office to collect anything, or to drop anything off, can you please ensure you either arrange a time via email, or call beforehand to check it is open, to avoid any unnecessary trips.

Quite often there is only one person in the office, and if they are out of the office for 5/10 mins, it is then possible they may miss the door buzzer.

6. OUTREACH AND ENGAGEMENT COURSE

Outreach and Engagement is a course where Guides can pick scientific concepts they are passionate about, and build an exciting project through which they communicate their ideas to the public. More information can be found about the course here: <https://www.ed.ac.uk/geosciences/undergraduate/geoscience-outreach>

Hannah is very enthusiastic about working with a local group to carry out her project "Kind Clothing". This project is about sustainable fashion and the environment. Her preliminary plans include a presentation and background to fast fashion, and why it is bad for our planet, a trip to charity shops for the girls to pick an item of clothing, or they can bring in old clothes they no longer wear from home, and then a final session in which the girls get to make something new out of the old clothes- a tote bag for example.
