Guides aged 11-13 years can sign up now to take part in ICE Stage 1 from 25-27 January 2019 at Stirling Youth Hostel. This three stage project brings Guides together from all over Scotland to have fun while taking part in social action to help improve their local communities. Girls have to take part in Stage 1 before they can move on to Stages 2 and 3.

## **CHANGING FACES**

Changing Faces is an organisation that does sessions for Brownies, Guides and Rangers on face equality and creating a fairer society for all. They will come to your unit meeting place - they have already run workshops for various Brownie units. Being part of the group would count towards the community action element of the Queen's Guide Award.
