2. GANG SHOW

Plans are well underway for this year's Edinburgh Gang Show at the King's Theatre.

As well as over 250 young people, who are busy learning lines and practising dance moves, there are over 100 adult volunteers working behind the scenes to produce the show. The Wardrobe Team have recently completed the move of the costume store out of 15 Valleyfield Street to new premises and are now fitting, creating and maintaining over 1,000 costumes. The Stage Crew are building and painting scenery, repairing backcloths, making props and developing lighting and sound design plans. The Administration Team are assisting the Production Team by ensuring the Cast are in the right place at the right time ready and prepared for rehearsal. The Marketing Team's plan to fill the King's to capacity is ongoing with posters and leaflets all around the city and regular social media activity.

All this work is undertaken for one purpose - to give our young people from Scouting and Girlguiding a tremendous opportunity performing a unique type of entertainment in a much-loved theatre as well as continuing the great tradition of Gang Shows in Edinburgh. Please support them by coming to see the show.

Edinburgh Gang Show 2018 has the usual eclectic mix of music from the stage and screen, topical comedy items and spectacular ensemble singing and dance numbers. **PLEASE NOTE** - following feedback the show will be finished by 9.30pm at the latest.
