TREFOIL

Many of our leaders know of the strong connections with the Trefoil school/holiday centre, where Girlguiding Edinburgh had it's campsite for many years. Many may not know the full history and we would encourage you to have a look at this at <http://www.trefoil.org.uk/about/history/>

Trefoil continues to exist to support the development of children and young people with additional needs, to enable them to maximise their capabilities and achieve as much independence as possible. At a recent meeting with the managers of the fund and at a members meeting, all were very keen to see the close links with Guiding re-established more firmly. Can we ask you all take an opportunity to look at their website and consider whether you have any young members or projects that would benefit from funding. <http://www.trefoil.org.uk/> There is detailed information re the criteria on the website as well as examples where funding has assisted young people.

Could leaders please share the Trefoil link with any parents of girls with additional needs, to access the fund for opportunities out with guiding as well.
