ACTIVITIES AT LOTHIAN NTS PROPERTIES

We have been informed of Fiona Turnbull’s new role at local National Trust for Scotland properties: Newhailes House and Gardens, Inveresk Lodge Gardens, Malleny Gardens, and Preston Mill. She has recently taken over the running of many of the activities which used to be offered by their Lothian Ranger service, so if you would like to arrange any activities on their sites, such as bat walks, den building and woodland survival training, pond dipping, minibeast hunts or night-time tours, please contact her and she will be happy to facilitate your group.

EDINBURGH MONOPOLY

After the success of their last monopoly challenge, 4th and 4th A Brownies are running the event again! This is a wide game based on the Edinburgh monopoly board. This is a live action game of monopoly based all over the city, where teams race to claim property and complete extra challenges along the way.

Open to groups of Brownies, Guides, Scouts, Senior Section members (and Leaders!), or other groups aged 7+. Leaders are responsible for ensuring that their teams are within ratio.

The event starts and ends at Girlguiding Edinburgh, but takes place throughout Edinburgh. There will be prizes for the teams who buy the most property and for completing challenges.

It costs £3 per person to enter, plus the cost of any public transport you choose to use on the day. The proceeds from this event will go towards our trip to Disneyland Paris for our unit's 100th birthday.

CHRISTMAS AT DOBBIES

Dobbies are planning the parade for Santa's Arrival on the 18th November and they are wondering if there are rainbows or brownies who would like to take part in the parade on the day?

The parade will be from 10am and then there will be lots to do in store- write letters to Santa, visit Santa's grotto with choirs and dancers and many more activities in the planning. The parade will be in Dobbies car park and will all be cordoned off so it is a safe area to walk.

They are looking for 1 group of rainbows and 1 of brownies up to 20 girls per group (so if groups are smaller we could have more groups)

Please contact Meghan Flynn Community & Events Coordinator for further information.
